Buffalo Laborers' Training Fund News

Enclosed is the Buffalo Laborers' Training Fund August calendar. Please note, August 7, 13 and 20, the Asbestos Handler and/or Supervisor Refresher class is being held during the day from 8:00am to 4:30pm to accommodate members and their work schedules.

August is designated to the members who are in need of an Asbestos refresher because their licenses expired during the period of April 1 to August 31, 2020 and were unable to obtain their renewal due to the Covid Pandemic and the state shut down.

Please be advised that if your license expired during this period, it is imperative that you call the Training Fund at (716) 825-0883 to enroll in one of these refresher classes as soon as possible, as the classes will be limited in size due to state mandates.

If your license has not expired, please wait until later to sign up for a class as we will be having more classes in the future. We will continue to send monthly calendars as long as the State permits training to be conducted.

When entering the building, you will be asked a few simple questions about your health pertaining to the Covid Virus which will be kept in strict confidence. If you are sick, please stay home. If you have a family member or if you have been exposed, please stay home. Do not risk spreading this to others.

State and local health authorities prohibit dining in congregated areas; therefore, we will not be providing food or beverages.

While at the Training Center, social distancing will be implemented and a mask will be required to enter the building.
